FOR IMMEDIATE RELEASE

OPERATION MEDICINE CABINET EVENT Lynbrook High School

The Lynbrook Police Department, in partnership with the Lynbrook High School's Students Against Destructive Decisions (SADD) Club, hosted an "Operation Medicine Cabinet" program at the Lynbrook High School on Tuesday, February 15th. This program gives residents the opportunity to dispose of expired, unused or unwanted prescription and O.T.C. drugs in an environmentally safe manner.

"The program was a huge success. With the help of the Lynbrook High School SADD Club we were able to collect over 110 containers of unwanted drugs," stated Chief Joseph Neve of the Lynbrook Police Department. "Each container of drugs had the potential for abuse."

The Lynbrook High School SADD Club is dedicated to providing students with the best prevention tools possible to deal with the issues of underage drinking, drug use, impaired driving and other destructive decisions.
